

MEET IN THE MOUNTAINS AT SUNCADIA!

2021 WANA ANNUAL ANESTHESIA CONFERENCE

October 13-17, 2021

Suncadia Resort, Cle Elum, WA

June 20, 2021

Dear Exhibitor:

Take advantage of this opportunity to “Meet in the Mountains” at Suncadia, a premium resort located in the natural beauty of the Cascade Mountains. The Washington Association of Nurse Anesthetists (WANA) has converted to one 4½ day conference annually rather than two weekend meetings during the year. Preparations for the 2021 WANA Annual Anesthesia Conference are currently underway. The conference will be held **October 13-17, 2021, with exhibit days October 14, 15 & 16**. Educational sessions will end early to mid-afternoon to allow participants and vendors time to enjoy all the amenities, including indoor and outdoor swimming and spas, golf, hiking, and biking at this premium destination resort.

These educational conferences offer a multitude of opportunities to introduce new technology, pharmaceuticals, and patient care improvement systems. With the realization that these conferences are ***the venue*** to introduce new and current products to providers who make the decisions to obtain technology for their institutions, the value of vendor participation is self-evident. We would greatly appreciate any sponsorship of this event. There are several ways to support this educational event, e.g., attend as an exhibitor, make a grant, or provide financial support for a meal, reception, or break.

Exhibit space for this conference is available as indicated in the enclosed Corporate Partnership Agreement and Exhibit Contract. The Program Schedule and Exhibitor Information/Shipping Guidelines documents are also enclosed. It is important that you complete the Corporate Partnership Agreement/Exhibit Contract and return it to the WANA office as soon as possible, as exhibit space is limited. Simply indicate your preference, “Platinum, Gold or Silver” for advertising options and/or exhibiting at the 2021 WANA Annual Anesthesia Conference.
